

Job Description: CFI Academy Instructor
Benefits: 401k, Paid Vacation, Medical
Salary: \$50,000-\$80,000(experience dependent)

Thrust Flight is actively recruiting a Flight Instructor to join the CFI Academy instructor team.

- CFIA / CFII w/ minimum 2 years instructor with 200 hours dual given
- Will fly Czech Sport Aircraft (instructor must weigh under 200 lbs) and Glass C-172's.
- Expect 40+ hours per month of CFI classroom instruction to CFI Candidates.

CFI Academy Instructors spend the majority of their time providing the CFI ground instruction as required by the FAR/AIM. They also fly with initial CFI candidates and are responsible to "sign-off" the candidate for their Practical Test.

Few flight schools provide the same quality work environment offered by Thrust Flight.

Our students are all domestic. That means no language barrier. No TSA headache.

Our pay is competitive. Our executives are passionate. We view our team as a family. Thrust Flight is poised to reach new heights in 2020 and beyond, and growth is inevitable. With this growth comes the need for new employees, and great potential for advancement from within.
