

Job Description: Chief Instructor
Benefits: 401k, Paid Vacation, Medical
Salary: \$60,000-\$90,000

Thrust Flight is looking for a Chief Instructor to join our team of experienced aviation professionals in one of the fastest growing flight schools in the SW Region. Thrust Flight, located at Addison, TX, is known for it's highly successful Zero Time to Airline Program and our world-class Flight Instructor Academy. We view the Chief Instructor as a critical member of our team who reports directly to the Chief Operations Officer.

Responsibilities:

The Chief Instructor is responsible for the management of the flight operations of the FAA part 61 and Part 141 programs. Position includes supervision of assistant chief instructors, check instructors, and flight instructors. The Chief Instructor also works with the program administrators on maintaining all paperwork in accordance with FAA regulations, including Training Course Outlines (TCOs), training folders, and maintenance information associated with the FAA part 141.

This is a full-time position that offers 401K and Medical.

Specific Duties:

- Supervision of flight operations personnel
- Conducting phase checks for students progressing through courses
- Resolve disciplinary issues
- Audit compliance with student records requirements
- Assign instructors responsible for specific students
- Maintain adequate instructional records in accordance with FAA and Company standards and formats
- Perform competency and standardization checks for instructors
- Supervise and delegate responsibilities to assistant chief pilots and check instructors
- Monitor activity of persons on Company premises and utilizing Company aircraft to ensure compliance with all FAA, TSA and Company policies and safe operating practices
- Comply with all FAA and Company directives, rules, policies and regulations, including attendance at all standardization, safety and flight instructor meetings
- Serve as an advisor and mentor to students, renters and instructors
- Ensure all Company premises and aircraft are kept neat, clean and free of debris
- Dress in a professional and appropriate manner in Company attire
- Act in a professional and courteous manner at all times

Background and Qualifications:

Chief Instructor applicants should have a minimum of 3 years' experience as Chief Instructor in a Part 141 school and have a demonstrated track record of managing instructors. Experience in high growth flight schools is a plus. In addition must hold:

Certificated Flight Instructor Certificate, Single Engine Land, Multi-Engine Land, Instrument Airplane

Commercial Pilot Certificate for Airplane, Single Engine Land, Multi-Engine Land
Instrument Airplane Rating

Valid Class 1, 2 Medical Certificate

Aeronautical experience required per 14 CFR Part 141
