

Aircraft Detailer

Thrust Flight's Maintenance Department ("Thrust Avionics") is one of the most elite aviation mechanical shops in the industry. Being one of the few Dynon Certified Dealers in the country, we offer the opportunity to work on a variety of aircraft from all over the world. We are seeking out a skilled and experienced Detailer to assist our maintenance department by upholding the overall aesthetic quality of our aircraft. This employee will oversee all aspects of the interior and exterior detailing on all aircraft. This person must have a keen eye for detail and ensure quality control on all aircraft. Thrust Flight has seen steady and consistent growth over the past few years, and every position we hire has multiple opportunities for promotion and growth within the company.

Responsibilities and requirements:

- Vacuum, shampoo, add air freshener and clean interior (some stain removal may be required)
- Cleaning interiors and exteriors in compliance with all company standards and client requests.
- Operating buffers, steamers, vacuums, and other equipment to meet service expectations.
- Attention to detail with excellent customer service, communication, and interpersonal skills.
- Ability to meet the physical demands of the position, including walking, crouching, bending, and standing for extended periods.
- Willingness to comply with all company policies and uphold standards for service quality.
